

Regular pattern of services in the benefice of Chew Valley South from January 2025

This is a pattern of services which will remain consistent month to month. It will be augmented and adjusted at festival times to accommodate seasonal services.

This pattern provides a basic structure and is not intended to be exhaustive. In the coming months we intend to develop other services, e.g. Family Services with Baptisms. There may also be services happening on other days and in places other than our church buildings e.g. outside. We will make sure these are advertised widely.
